## **John L. Scott Foundation Helps Raise over \$2,700 for the Children's Hospital at Legacy Emanuel**

**Portland, ORE** – John L. Scott Real Estate chairman and CEO, J. Lennox Scott, announced that over \$2,700 raised at the Midsummer Night's Dream charity event earlier this year will go directly to the Children's Hospital at Legacy Emanuel.

The John L. Scott Foundation was named one of the beneficiaries of the Midsummer Night's Dream event which was held July 31 in Portland's Pearl District. Oregon Foundation participants chose to direct all funds raised to the Children's Hospital at Legacy Emanuel. The event was produced by the Home Builders Association as the opening of the 2009 Street of Dreams. John L. Scott brokers and staff helped sell tickets to maximize the donation.

"We are thrilled to be the recipient of this generous donation of \$2,747.82 from the John L. Scott Foundation," said Lynn Hallbacka, Development Officer for Emanuel Children's Hospital Foundation. "We are very grateful to the John L. Scott Foundation for its demonstrated support of our young patients through this donation."

As the largest children's hospital in the state of Oregon, the Children's Hospital at Legacy Emanuel had nearly 100,000 patient visits in 2008. Every child that comes through the doors of the Children's Hospital is treated, regardless of their financial resources or insurance status.
